

**An opportunity has arisen at our commercial warehouse auction house in Easter Compton, Bristol**

Reporting to the Team Leader you will support the delivery of the auction house team's activities. This will include the moving of stock in and out of the auction house, dealing with customers and ensuring our high level of service at all times. This role requires a strict attention to detail while working under time pressure and includes some heavy lifting, please consider this before applying.

**Essential Skills:**

Possess interpersonal and communication skills including dealing with the general public

The ability to work on your own or as part of a small team

Manual handling abilities together with stock display/presentation skills

Basic reading and writing skills, with good handwriting

**Preferred Skills**

Experience in an auction house or similar role in the retail and/or ware house sector

Full UK driving licence and forklift licence an advantage

This is a full-time position, Monday to Friday 8.30am – 5.00pm

Please note there is no public transport available to our auction house due to the location, own transport required and we have free staff parking.

Please forward your CV and covering letter stating hourly rate required and availability

If you have any further relevant skills and a 'can do' attitude then we would like to hear from you
